

2021 Annual Report Summary

The Metro Office of Family Safety (OFS) and its partners continued to adapt to the unexpected in 2021 while growing OFS's client services, collaboration, training, and community engagement. With the onset of vaccines, staff, clients and partners were able to more safely be onsite together in larger numbers at the Family Safety Center and court-based Jean Crowe Advocacy Center. OFS was also the host city for the Alliance for Hope's 2021 Family Justice Center Leadership Conference where OFS's Centers, partners, and innovative programming were showcased.

"All of the time, effort, and energy you all put into this planning and hosting the Leadership Summit is appreciated. Words can not adequately capture the value our team experienced and gained this week. Thank you for your humility and vulnerability to allow others to learn...you guys are inspiring!"
